

Kitchen Shower for Arms of Hope

The LHC Ignite Student Ministry is sponsoring a Kitchen Shower Collection for the Arms of Hope Community Center in Medina, Texas. Their Community Kitchen will be used for cooking demonstrations and classes to help teach single moms and older students how to cook. The youth will take these items with them to Arms of Hope in June.

Please consider donating one or more of the following items – *nice second-hand/gently used equipment and dishes that don't match are perfectly acceptable.* Items not on the list are welcome too.

A collection bin is located in the LHC Lobby. Questions? Call Leigh Harrison 214-734-9972.
